

I-94 North-South Frontage Roads Project Update

The Wisconsin Department of Transportation (WisDOT) is underway with the reconstruction of the east and west frontage roads. The upcoming work and closures are scheduled for the next phase of this project:

All closures are weather dependent and subject to change.

As part of the I-94 North-South Freeway Project, crews continue their work with clearing and grubbing, erosion control and storm sewer crossings within the corridor, which require short and long term closures within the project limits.

Long-term closures scheduled to begin the week of January 29, 2018:

- West Frontage Road (S. Sylvania Avenue) is scheduled to close to traffic long-term north of County KR to south of WIS 11. One access lane to Sylvania Cemetary from Braun Road south will be maintained during the closure.
- West Frontage Road (S. Sylvania Avenue) is scheduled to close to traffic long-term from just north of Braun Road to just south of WIS 11. Residential access will be maintained during the closure.

Detour Route:

→ Travelers can utilize WIS 11, County KR, I-94 North-South, Braun Road, and County KR to get around the closure.

Short-term closure scheduled Monday through Friday, February 5-9, 2018:

- East Frontage Road (SE Service Road) is scheduled to close to traffic short-term for storm sewer crossing. Access to businesses and residents will be maintained north and south of the closure.

Detour Route:

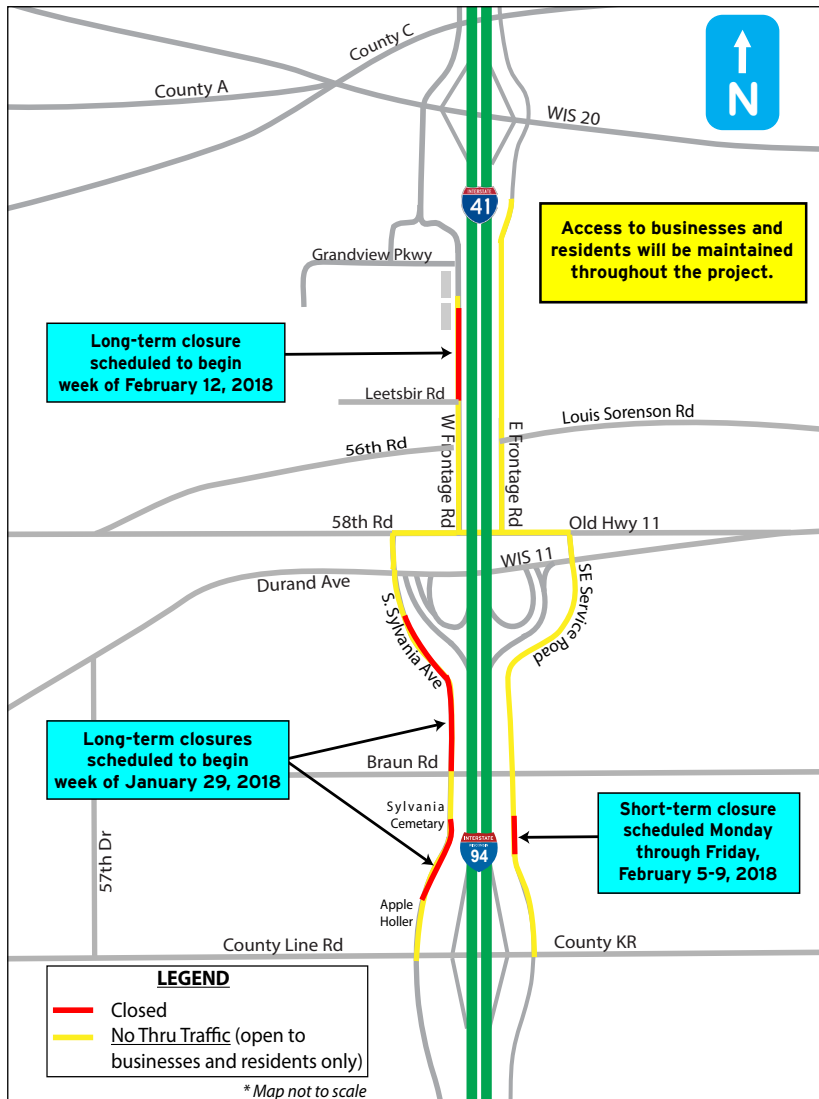

→ Travelers can utilize County KR, I-94 North-South, WIS 11 and Braun Road to get around the closure.

Long-term closures scheduled to begin the week of February 12, 2018:

- West Frontage Road (S. Sylvania Avenue) is scheduled to close to traffic long-term from just north of Leetsbir Road to just south of Grandview Parkway. Access to businesses will be maintained during the closure.

Detour Route:

→ Travelers can utilize WIS 11, I-94 North-South, and WIS 20 to get around the closure.

The project team thanks you for your patience and cooperation throughout this project!
