

Raymond
NEIGHBORHOOD WATCH ANNUAL MEETING

Topic: Got Drugs?

April 25, 2013

6:30 p.m. to 8:00 p.m.

at

Raymond Town Hall – 2255 S. 76th St.

6:30 p.m. to 8:00 p.m. – Medicine Collection

This is a great opportunity to turn in your accumulated unwanted, unused or expired prescription and OTC medications for safe disposal by the Racine County Sheriff's Department. Needles and syringes will NOT be accepted. Walk in or a drive up drop off will be available to those who may need this service. Collection of medicine will continue while Speaker & Demonstration take place.

7:00 p.m. to 8:00 p.m. – Speaker & Demonstration

Please come and meet Racine Co. Sheriff K-9 "Friday" and his handler Deputy Ed Drewitz. A presentation on "Friday's" unique training skills and experiences will be discussed followed by a live drug find demonstration by K-9 "Friday" in action.

This year the Neighborhood Watch Board Members have decided to combine the National "Take Back" Prescription Medicine Collection with their Annual Neighborhood Watch Meeting. This collection is open to **anyone** with unwanted medication on hand. Please have your family or friends clean out their medicine cabinets to turn in any unwanted prescription and OTC (over the counter) medications. All turned in medications must be in a sealed vial bottle or package they were stored in so the name of the medication can be determined. The identity name should be blocked out with a black marker. Walk in and drop off your medication items and stay for an informative presentation too. All Raymond residents are always invited to this annual meeting. Please consider bringing another family member and or friend with you this time. Meet your Neighborhood Watch Board Members and get to know your Block Captains. As always refreshments and door prizes will be available for those who attend the meeting. Mark your calendar!! ©
